OFFICE FINANCIAL POLICY

At Rancho Ear, Nose and Throat, our focus is on your health. We are committed to providing a patient experience that goes beyond the traditional office visit. Please let us know if you have any questions about our financial policy.

DIAGNOSTIC PROCEDURES

Most exams require additional diagnostic procedures. These tests are separate from the office visit and may be necessary for the proper evaluation and/or treatment of your medical condition. Declining them may impair or delay treatment. Depending on your insurance, the following are cost estimates after insurance adjustment. They may also be subject to a co-pay and/or an out-of-pocket deductible, as directed by your insurance plan.

- Audiogram (hearing test).....\$40 - \$60
Endoscopic Exam (nose or throat)\$150 - \$250
Initial Office Visit/Consultation.....\$100 - \$300
Please Initial

Please understand that while our physicians will be considerate of your financial needs, proper evaluation may require certain tests or procedures. Rancho ENT does not modify or negotiate treatment fees, as they are agreed upon by our contract with your insurance provider. Please advise our staff if you do not wish to have these procedures until after you have contacted your insurance for benefit information. The physicians will not modify or negotiate fees during the exam. If you have questions, please address them to the office manager prior to your appointment.

INSURANCE BILLING

- I understand Rancho ENT does not accept Medi-Cal (primary or supplement) or CMS.
I understand I am responsible for all co-pays, coinsurance and deductibles. Follow-up visits are not included with the initial visit.
Rancho ENT bills secondary insurances as a courtesy. If my insurance does not pay within a reasonable amount of time, I understand I will be responsible for outstanding fees.
I understand if my HMO or other insurance requires authorization for specific tests or procedures, I must be sure that prior authorization is obtained before receiving such services.
Please Initial

MISSED APPOINTMENTS

- Our office makes every effort to provide prompt medical care to all our patients. If you are unable to keep a scheduled appointment, please let us know in advance. A NO-SHOW (when a patient fails to keep a scheduled appointment) will generate a \$50 fee.
If you are delayed and cannot arrive for your appointment on time, please call to advise us of your delay. Any significant delay may require the visit be rescheduled.
Please Initial

We understand there may be issues beyond your control and want to be understanding. In the event you have a special circumstance, please contact our office manager.

OTHER

Please be advised Dr. Wadhwa and Dr. MacEwan maintain surgical privileges at Pomerado Hospital and the Rancho Bernardo Surgery Center. Additionally, Dr. Wadhwa and Dr. MacEwan primarily admit patients to the Pomerado Hospital. Dr. Wadhwa and Dr. MacEwan maintain a minority partnership interest in the Rancho Bernardo Surgery Center.

I have read the above and understand that failure to meet my financial obligations may result in the referral of my account to a collection agency.

Notification Regarding Testing Results Lab, Pathology & Imaging

Dear Patient,

Frequently, Rancho Ear, Nose and Throat will request that you complete testing with an outside provider such as a radiology or laboratory/ pathology facility. While it is standard procedure that we receive results from these providers in a timely manner, sometimes it simply does not happen.

Please contact us if you have not heard from us within one week of your testing as we may not have received your results. Please understand we do not receive notification from the facility when testing is initiated.

It is extremely important that you receive your test results, especially if they are abnormal.

We appreciate your cooperation in this matter as we work together to optimize your health and give you the best possible outcome.

Cordially,

Rancho Ears, Nose and Throat

.....

I understand my obligation to follow up on test results.
